

# Science Park Study Group

Wait! What's a Study Group?

It is a relaxed, no-pressure environment where scientists share skills and help each other on **computing, image processing** and **data analysis** problems.

That sounds cool. Where and when is the next one?

**Tuesday November 21st**

**Science Park 904, room B0.206, 17:00-18:00**

**"Statistical testing" by Emiel van Loon**

Next (themed) sessions:

- Dec. 5: Sinterklaas data hackaton
- Dec 19: to be announced
