

Science Park Study Group

Wait! What's a Study Group?

It is a relaxed, no-pressure environment where scientists share skills and help each other on **computing**, **image processing** and **data analysis problems**.

That sounds cool. Where and when is the next one?

Tuesday October 24th "Explore your data" by Pietro Marchesi Science Park 904, room D1.112

Next (themed) sessions:

- Nov. 7: Simple plots with R
- Nov. 21: Statistical tests
